

SICK OR INJURED BADGERS

Please contact us urgently if you have information about badgers or other wildlife in distress, our rescue officers are equipped and experienced

24 hr hotline: 01243 825804

GENERAL ADVICE

Guidance and advice regarding householders, badgers and the law

PLANNING AND PROPOSED WORKS

We are available to assist with any planning related query or proposed works where badgers or other protected species may be present

ENVIRONMENTAL ACTIVITIES

We can give advice on how to benefit your environment and for a modest cost provide bird and bat boxes

TALKS

Speakers can for a donation give talks about badgers to groups such as schools, societies and clubs

We hope they are interesting and informative with slides and exhibits

(Please note we do not keep or use live animals)

Contact 01243 551544
btws@uwclub.net

MEMBERSHIP

You can help by joining, we have a newsletter and occasional meetings. Please see the attached enquiry form

FUND RAISING

In order to function we sell bric-a-brac and give talks. If you have good quality goods to donate please contact 01243 551544/825804.

ROAD TRAFFIC ACCIDENTS

With your help & the agreement of WSCC and Highways Agency we are pioneering the use of roadside reflectors at known hotspots where practical.

We need you to report accidents and crossing points.

Please give as much detail as possible to 01243 551544 or btws@uwclub.net
